

Pediatric Cardiology

Assistant, Associate or Full Professor

THE UNIVERSITY OF CALIFORNIA, SAN DIEGO (<http://www.pediatrics.ucsd.edu>) is committed to academic excellence and diversity within the faculty, staff, and student body. The Division of Cardiology in the Department of Pediatrics at UC San Diego and Rady Children's Hospital is currently recruiting Pediatric Cardiologists.

This 524-bed non-profit pediatric care facility dedicated to excellence in care, research, and teaching serves as a major regional tertiary care hospital for children. The Division of Pediatric Cardiology consists of thirty faculty with depth in the full range of cardiac subspecialties and two experienced cardiac surgeons who are board certified in pediatric cardiovascular surgery. There is a CVICU with 24/7 staffing by 7 cardiac intensivists and a cardiac inpatient unit totaling 32 beds. Annual program volumes include about 500 cardiac surgeries, over 600 cardiac catheterizations, more than 18,000 echocardiograms and outpatient visits.

Candidates must have an MD or equivalent and be board certified or board eligible by the American Board of Pediatrics in the subspecialty of Cardiology. Candidates must have or be eligible for a California medical license or equivalent certification/permit as determined by the Medical Board of California.

The appropriate series of appointment at the Assistant, Associate or Full Professor level will be based on the candidate's qualifications and experience.
