Table Discussions

Two rounds of table group discussions

Two questions per round

- Each round consists of 10 minutes for table discussion followed by 10 minutes for group report out

Round One

- How has the COVID pandemic impacted physician compensation at your institution?
- Considering the faculty recruitment obstacles mentioned earlier, is your institution considering any solutions?

10-minute group discussion, followed by table report out

Round Two

- Is any portion of your compensation at risk or do you have an incentive program/bonus structure?
- What tactics does your department use when there is a lack of benchmark data available or when setting non-MD faculty salaries?

10-minute group discussion, followed by table report out
